

ONTARIO STREET

resurfacing project

State Street to Orleans Street

The Chicago Department of Transportation (CDOT) will resurface Ontario from State to Orleans. The project is part of CDOT's annual program to repair streets throughout the city, which helps increase safety and improve the roadway for all users.

The project involves:

- curb and sidewalk patching
- removing the old asphalt
- installing the base asphalt layer
- adjusting utility structures (e.g. manholes)
- installing concrete bus pads
- installing the top asphalt layer and pavement markings

Project schedule

July 5 to end of July.

Work hours

All work except asphalt work will occur between 7 a.m. and 4 p.m. Asphalt work will take place from 7 p.m. to 6 a.m.

Traffic impacts

Two lanes of Ontario will be closed throughout the project. Two lanes will remain open.

Parking restrictions

Restrictions will be in place throughout the work zone. Drivers should check posted signs for parking restrictions.
